

CALLING ALL HIGH SCHOOL STUDENTS

Are you interested in history?

Perhaps, considering a military career?

Want to learn more about sound, lighting & video production?

Want to give back to your community?

WE'RE LOOKING FOR YOU!

Take part in the Illinois Veterans History Project at Carbondale Public Library. You will conduct and record veteran interviews for inclusion in the Illinois Veterans History Project archives. We will work with young 21st century veterans, a vastly underrepresented group in the Illinois Veterans History project archives. You will gain a better understanding of what it means to serve in active military duty and the veterans will be able to share, preserve, and validate their stories in a very meaningful way.
