Art Exhibit Policy

1. Promotion of the exhibit is the responsibility of the artist. CPL staff will enhance the promotion by including information about the exhibit on the CPL website, social media, local media, newsletter and bulletin boards. Art exhibits may not promote any commercial enterprise. Permission to photograph and reproduce any work accepted for exhibition for publicity purposes is considered granted unless otherwise stated in writing. Postcards or flyers in electronic form advertising the exhibit can be forwarded to the Volunteer Coordinator for use in promoting the exhibit. Please forward materials at least one week before the exhibit begins.

2. If an artist would like to sell their creations, we ask that they contribute 10% of the sale to the Carbondale Public Library. Artists may include a purchase price on the information card accompanying each piece. Artists also have the option of making a price list instead of information cards. CPL staff will sell works of art for the artists. We will provide a receipt for the purchase and will deduct the 10% contribution. Proceeds from the exhibit will be disbursed to the artist after the exhibit has ended. CPL will waive the commission for non-profit groups.

3. If a piece of art is sold, buyers are asked to leave the piece in the exhibit until the duration of the exhibit is complete. A "sold" sticker will be placed on the sold piece of art.

4. Installation of art pieces is the responsibility of the artist under the supervision of library staff. Appropriate, durable framing must be used for hanging art. The Carbondale Public Library, Carbondale, Illinois, staff and board of trustees assumes no responsibility for the preservation, protection, damage, loss or theft of items displayed in the exhibit or for bodily injury to the artist. **The Carbondale Public Library does not provide insurance coverage for artwork exhibited at the library.**

5. Artists must provide an itemized list of art items to the Volunteer Coordinator prior to the exhibit opening. Artists are expected to remove items on the final day of their exhibits. Artwork that is not for sale must clearly be marked as "not for sale".

6. Artists may hold an opening or closing event in the exhibit area or in the meeting room. Some of the policies of note for use of the exhibit area and meeting room include:
 - Kitchen can be used to prepare food and drinks that require no cooking. Users must clean the kitchen, meeting room and any borrowed items after use.
 - The artist must supply any napkins, cups or plates as needed but serving platters, bowls, plates and pitchers can be borrowed from the library when available.
 - All programs must end at least 30 minutes prior to the library closing time.
