

Step One: Visit the Nook Store on your device.

- On the Nook home page, tap on Shop.
- Use the search box at the bottom of the screen to search for “3M Cloud Library.”

Step Two: Download the 3M Cloud Library App

- Tap on the blue Free button
- Tap on the green Confirm button

You are now ready to check out e-books from the 3M Cloud Library! You'll find the newly installed app on your Nook's Apps page. Tap on it to log in and start reading!

Remember to select "Illinois Heartland Library System" to access the eRead Illinois shared collection.
