POP-UP TALK SHOW

JUNE 23 at 6PM

Join us for an interactive live online chat, designed as a follow-up to the national Indie Lens Pop-Up screening of Recorder: The Marion Stokes Project. Our event features a panelist-led discussion on fake news, media literacy, and journalism during the pandemic along with audience Q & A.

ABOUT THE FILM

Marion Stokes secretly recorded television twenty-four hours a day for thirty years—capturing revolutions, lies, wars, triumphs, and catastrophes that tell us who we were and how the media shaped the world of today. Stream the program online using the free PBS Video App.
