Librarian's report.

1. Building and grounds maintenance. Phone M.A.C.S is in the process of installing our new phones.
2. Per Capita Grant requirement: Discussion of Serving Our Public chapters 10 and 13. We do more than adequate programming. The Board asked whether there are better ways to reach the older generation who are not on social media. Perhaps we could distribute the bookmark newsletter, homebound service information, our general brochure, and other adult marketing materials to the senior center, Prairie Living, and other senior service providers. We could do a walk through at an upcoming meeting to appraise the library's image. We discussed the value in Trustees visiting other libraries. The Board is reluctant to spend library funds on a group visit, but Trustees are encouraged to visit other libraries individually. They are interested in comparing our budget with the budgets of other libraries, such as Marion Carnegie, for example. In general, the board believes that we do very well with both chapters.
3. Other. Discussed home rule. The Director asked the Board to please complete the Inclusion Task Force's survey. We will do a 100 for 100 campaign and event in the fall to celebrate the library's 100th Anniversary.
