

Project Next Generation

Project Next Generation (PNG) is a free STEM/STEAM program at CPL for 5th-12th graders. All supplies & afternoon snack provided!

PNGers explore science, technology, engineering, art, and math while creating a variety of projects, with support provided by mentors and subject specialists as students solve challenges while developing a peer network.

When in session, PNG workshops meet on Monday & Wednesday afternoons 3-5pm. There are three seasonal series a year (spring/summer/fall), each running 6-8 weeks.

There are two sections of PNG:

PNG A
(grades 5-8)
meets on
Wednesdays

PNG Z
(grades 9-12)
meets on
Mondays
